Qualification Description

The Bachelor of Accounting (BACC) degree will provide candidates with a thorough theoretical grounding and knowledge in the key principles of Financial Accounting, Management Accounting and Finance, Auditing and Taxation. Thus, the Bachelor of Accounting (BACC) degree is for students who intend to pursue a professional career in Accounting. If you enjoy working with numbers in the accounting context and like the thought of applying this in the business world, then consider studying this degree. This is the degree to study should you wish to become a Chartered Accountant or Professional Accountant.

The objective of the Bachelor of Accounting degree is to qualify students in the field of accountancy and provide a steppingstone to a range of professional accounting qualifications. The degree is structured in accordance with the new HEQSF guidelines and will provide students with the knowledge, skills and applied competencies identified by professional Accounting bodies.

The Bachelor of Accounting degree is endorsed by the South African Institute of Chartered Accountants (SAICA) as an undergraduate degree to prepare students for the Chartered Accountant qualification.

Who Is This Qualification Aimed At?

The Bachelor of Accounting degree is for students who intend to pursue a career in Accounting. This degree will provide candidates with thorough theoretical grounding and knowledge in the key principles of Financial Accounting, Management Accounting and Finance, Auditing and Taxation .
