Notes:

- Fees are in respect of tuition only. Academic material and all other expenses, including off-campus internet access and personal IT requirements, are for the student's account.
- Students are required to register per academic year. Fees are quoted per academic year and not for the full duration of the qualification. The fees included in this schedule are for the 2027 academic year and will be subject to change in subsequent years.
- If additional fees are incurred (e.g., for supplementary examinations, sports club fees, academic credit applications, etc), these fees must be settled in 30 days regardless of the payment plan selected.
- International students in the contact mode of study will be subject to an administrative student levy of R2000 payable upon registration and billed annually for every year of study.
- A late registration fee will be levied to returning students only. Should we not receive your request for registration and minimum payment on or before 1 February 2027, the fee levied will be at R2 750 for undergraduate returning students. Students registering for a new qualification are exempt from this fee.
- All students are required to consult the academic information section on the Student FAQ Bot, or Fact Sheets available on our website, to ensure that they meet the admission requirements for their selected qualification. Note that some students may be required to register and pay for additional modules or Short Learning Programmes (SLPs). SLPs may be added to your registration automatically by your campus based on relevant admission requirements.
- Many higher certificates provide for an articulation route into bachelor's degrees that form part of other faculties. Please consult your Student Advisor for more information.
- Returning students who are unsuccessful in a module, are required to re-register and repeat the module at the repeat module fee.
- For new students who successfully register by close of business on 12th February 2027, the non-refundable R3 000 pre-registration fee, paid upon acceptance of the offer to study, will be deducted from the full settlement amount or the first instalment of the 10-month payment term. Payment of full settlement or the first instalment amount must be made by 28 February. Alternatively, payment can be made at the point of registration via PayU when completing your registration via our online portal.
- For new students, who register after the 12th February, payment of either the full settlement or the first instalment for the 10-month payment term (less the R3 000 pre-registration fee paid upon acceptance of the offer to study), must be made at the point of registration via PayU when completing your registration via our online portal.
- For returning students, payment of either the total payment or the 1st instalment for the 10-month payment term must be paid at the point of registration via PayU when completing your registration via our online portal.
- Your registration may not be finalised until the first payment has been received.
- Debit orders will be processed starting in February (dependent on the date of registration) but no later than March. Debit orders will be actioned according to the debit order date selected. Thereafter, consecutive monthly payments need to be paid, until the account is settled.
- The monthly payment term option allows for debit orders on the 1st, 15th or 25th of the month.
- Please note that should the full settlement payment plan selected not be adhered to, we reserve the right to adjust this to the 10-month payment term option.
- Where students are the recipients of a loan or bursary (and have the required proof thereof), account payers are liable for any deficit between fees billed and payment received.
- Once you have completed and submitted your registration request and payment has been made on the registration portal, your campus will finalise your registration.
- Finalisation of your registration request may take up to 5 working days to complete.
- Once your registration is finalised, you will receive the link to Wize Books to order your textbooks and student card.
- Upon finalisation of your registration, you will receive a copy of your registration contract and a confirmation of registration via email.
- Timetables will be available one week prior to lectures commencing on the student intranet.
