Qualification Description

The Bachelor of Commerce in Entrepreneurship degree provides graduates with general business principles and theory as preparation for entry into general employment, either as an entrepreneur or entrepreneurial thinker in corporate organisations. It will expose graduates to concepts, principles, and theories of entrepreneurship within the context of a developing country such as South Africa. This degree will develop the graduate's capacity to analyse scenarios within the discipline of entrepreneurial studies, to make innovative decisions critical to the development, and the establishment of innovative and creative business ideas.

Who Is This Qualification Aimed At?

The distance mode of study is ideal for those who prefer not to attend full-time lectures but still want to pursue a commerce degree with a strong focus on Entrepreneurship with the aim of establishing their own business or act as a corporate entrepreneur and expand the business footprint of a current business within developing countries such as South Africa.

As an distance student you will receive all your support online from a dedicated team of Emeris lecturers.

Graduation and Completion Requirements for This Qualification

In order to be awarded this qualification, you must have achieved a minimum final year mark of fifty percent (50%) for all 24 modules in the curriculum.

As a distance (online) student, this qualification is structured to be completed over 4 years. The maximum time for completing a qualification full-time is double the minimum time associated with the qualification, and for part-time an additional year is allowed.

Where Assessments Are Written in Person

- For students based in South Africa, online students may select any Emeris campus as their Examination Centre.
- An alternative examination centre is only permissible for students studying abroad and those located in a province of South Africa where there is no campus. If there is no campus within reach, an alternative venue will need to be sourced by you. For non-Emeris venues, there is an alternative venue levy per module.

What Are the Benefits of a Distance (Online) Qualification?

The distance (online) delivery mode provides you with the agility of studying towards a tertiary qualification asynchronously, at different times from different locations. Distance students need to commit to approximately 20-25 hours a week for distance engagement (most of which is after hours) with material and assessments to succeed.

Here are some of the benefits you can expect:

- A sequenced online learning environment that allows you the ability to manage your learning experiences flexibly and autonomously.
- A learner guide designed to lead you through the module material and learning outcomes, empowering you to effectively pace your learning in preparation for assessments.
- Our Learning Management System is designed to break up your learning units into manageable sections which include various activities to support learning.
- Module expert online lecturers that facilitate module teaching and learning support through various technology enhanced mediums.
- Student Relations Specialists provide administrative and operational guidance and support throughout your academic journey.
- A professionally registered Student Wellness Manager/Counsellor available for short-term, primary counselling services. Additionally, the Student Wellness Manager/Counsellor hosts various webinars and virtual talks on topics that promote a balanced lifestyle as you pursue your academic goals.
